MAILING OF EXHIBITOR BADGES

SPE and Experient are working closely together to ensure your registration process runs as smoothly as possible. To assist in this process, SPE will monitor the requests for mailing of exhibitor badges. Therefore, ATCE exhibitors (U.S. companies only) who wish to have their badges mailed in advance, **must** complete and submit the **Exhibitor Badge Mailing Form** to SPE. If SPE does not receive this form, your badges will not be mailed in advance and will be available for pick-up on-site at Exhibitor Registration. The deadline to submit this form to SPE is **18 August 2008**.
