SPE ANNUAL TECHNICAL CONFERENCE AND EXHIBITION
4-7 October * New Orleans, Louisiana, USA * www.spe.org/atce

Please note the following:

Some exhibitors will be assigned a specific day during which their freight must be delivered to the Ernest N. Morial Convention Center; failure to comply with the move-in instructions as given by Freeman will result in shipments being subject to special equipment rental and crew time charges, and/or refusal of entry into the exhibit area by SPE Management.

Freight shipments exceeding 20,000 lbs., or in excess of 7 feet in width or 12 feet in height must notify Freeman in advance and these exhibitors will be assigned a specific move-in date.

Freight shipments with individual pieces exceeding 20,000 pounds may be subject to special equipment rental and crew time charges.

Deadline to receive advance warehouse shipments is 24 September 2009.
