

ELECTRICITY EQUIPMENT FORM

Electricity is not included in booths and will be supplied upon demand, during the exhibition hours. By submitting this form you can also extend the time of your power supply to 24h service. Please submit this form by July 19th, 2010. Any other specific request/service not listed should be submitted in writing to expoatce@newtours.it. Order requests submitted after July 19th are not guaranteed and will be subject to an additional charge of € 60,00 as outlined below. Please be informed that it might be necessary to use adaptors from US or UK to European Schuko plugs.
