

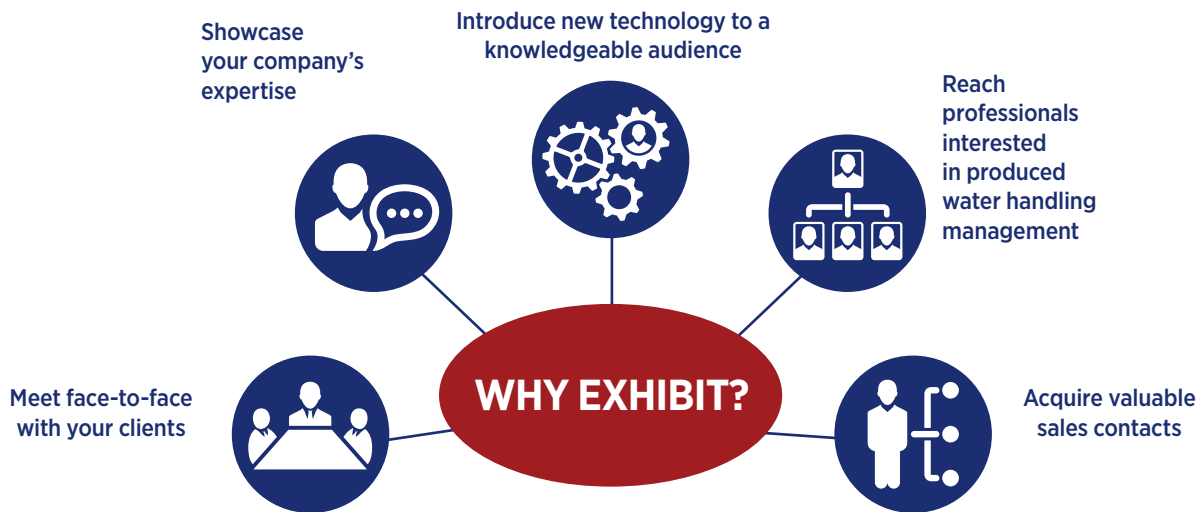

Exhibiting

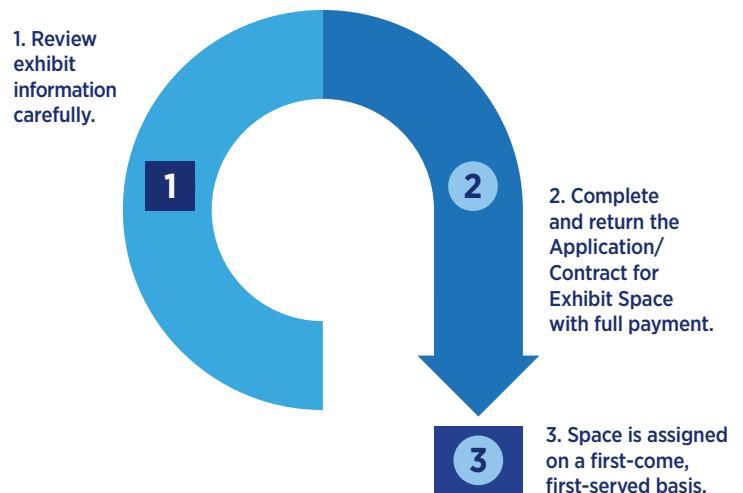

Exhibitors Receive

- Standard booth draping (8-ft back wall and 3-ft side rails) and an identification sign (7x44 in.) with company name and booth number are provided to all linear booths. Additional draping must comply with the exhibition's color scheme and the published fire safety regulations. Exhibit space is carpeted; electricity is not included
- Two (2) complimentary, full-conference registrations and one (1) two-day, exhibits-only registrations for company personnel per 100 ft of exhibit space
- Company listing in official conference program
- A 350-character description of your organization printed in the conference program, if received by print deadline dates
- Exhibitor Services Manual providing the necessary tools, information, and services for a successful exhibiting experience

Exhibition Rates and Requirements

- The rate for exhibition space is CAD 30 +GST per square foot
- All booths are available in increments of 10x10 ft
- Island/peninsula booths require a minimum of 20x20 ft
- Exhibit space configurations must be acceptable to SPE
