Additional address, tel, fax, and email where you can be reached after 5 June 2009, if different from above (additional address required so SPE are able to contact you in the height of the holiday season):

Telephone Number                      Fax Number                      Email Address

#### Posters/Background and Experience Information:

**Important:** Registrants for SPE Forums are accepted on the basis of the information supplied by each applicant. List background and experience that you feel qualify you as a participant or contributor; indicate one topic that you might wish to present and whether you have facilitation skills/training; emphasise activities that are directly related to the subject area of the forum.

**Yes** I do want to present a poster, my poster title is:

**No** I do not want to present a poster

Details of my background and experience are: \_\_\_\_\_

Are you able to bring to the forum one or more examples of field production forecast together with the subsequent actual production?

#### Please use additional paper if required

Recording of any portion of the SPE Forum Series in any form (photographic, electronic, etc.) is strictly prohibited. Extensive note taking is forbidden. Printed reference to any SPE Forum discussion is not permitted without the consent of the parties involved. All participants are specifically requested to omit public reference to Forum proceedings in any published work or oral presentation. Registrants agree to attend ALL Forum sessions, and discuss and share with forum participants their experiences and knowledge in the subject area, specifically in those areas of advanced technology in a given subject. Each participant agrees to the above regulations when application is submitted.

Submit this completed application by mail, fax, online, or by Email. Do not send payment with this form.  
**Mail:** REGISTRAR
