

Benefits of Membership Reinstatement

25-Year Club Member—With at least 25 years of membership in SPE, this select group of members is welcomed to visit with peers in the 25-Year Club Lounge during the SPE Annual Technical Conference and Exhibition. A member reaching this distinction also receives a 25-year membership certificate and lapel pin.

Senior Member—After 30 years of continuous membership with SPE and the age of 65, a member is automatically upgraded to senior member. Senior members receive a 50% reduction in membership fees. A 30-year member at age 60 who is retired may submit a written request to SPE Customer Service for senior member status.

Legion of Honor—After 50 years of continuous membership in SPE, a member is automatically inducted into the Legion of Honor. Members in the Legion of Honor are exempt from dues for life. They also receive a commemorative plaque and lapel pin in honor of their achievement, free registration for all SPE Annual Technical Conference and Exhibitions, and recognition in the Journal of Petroleum Technology.
