

Section Awards

Section Awards recognize individual contributions to the section. The awards do not require approval by the SPE Board of Directors and may be ordered by the section chairperson or secretary.

Past Section Chairperson Award

The Past Section Chairperson Award is a memento for presentation to past section chairpersons in appreciation for dedication and service to their sections. The SPE logo is imprinted on a gold tone medallion and the personalization includes the recipient's name, section name and years of service inscribed on a gold tone plate. This attractive recognition piece is presented in an 8 ½" x 9½" frame, two-tone walnut finish, including gold highlights and double matt. The cost of the plaque is USD 95.00 plus shipping.

Section Service Award

Sections can recognize outstanding contributions by members to the section with the Section Service Award. The plaque has an 8- x 10-in. black marble finish wood base with a 6- x 8-in. silver plate that includes the SPE logo and personalized citation. The cost is USD 85.00 plus shipping. Allow 8 to 10 weeks for delivery.

The Society's Board of Directors stipulates that the Section Service Award should be given only for outstanding contributions to the section and never for the routine holding of office.
