

MEETINGS

Save money by taking advantage of advance registration opportunities. Find complete listings of upcoming SPE conferences, workshops and forums at www.spe.org.

APPLIED TECHNOLOGY WORKSHOPS

6–9 April • Bali, Indonesia • **Water Management in the Oil Industry**

8–10 April • Mendoza, Argentina • **Artificial Lift Systems**

11–14 May • Alexandria, Egypt • **Wireline Formation Testing in Hostile Environments: H₂S, HPHT, CO₂ and Slim Holes**

12–13 May • San Antonio, Texas, USA • **SPE/AAPG LWD Sonic Joint Workshop**

14–16 May • Moscow, Russia • **Condensate Recovery in Gas Condensate Fields**

19–22 May • Dubrovnik, Croatia • **Roadmap to Successful Storage of CO₂**

4–5 June • Port-of-Spain, Trinidad & Tobago • **Produced Water Handling and Disposal**

15–18 June • Hangzhou, China • **Tight Gas Development and Planning**

16–19 June • Stresa, Italy • **Subsea Processing Today and Tomorrow: Deployment Time!**

17–18 June • Midland, Texas, USA • **Horizontal Well Stimulation—Regional Technology Workshop**

17–19 June • Vitoria, Brazil • **SPE/IBP Joint Workshop—Well Technologies for Enhancing**

CALL FOR PAPERS

2008 SPE Eastern Regional/AAPG Eastern Section Joint Meeting • Pittsburgh, Pennsylvania, USA
Deadline: 15 April

Abu Dhabi International Petroleum Exhibition & Conference • Abu Dhabi, UAE
Deadline: 22 April

IADC/SPE Managed Pressure Drilling & Underbalanced Operations Conference & Exhibition • San Antonio, Texas
Deadline: 29 August

SPE WORKSHOPS

Front Row Seats to the Latest Industry Breakthroughs

Want to really go places in your career?

Here's your ticket. Workshops from the **Society of Petroleum Engineers** focus on "use it now" technology, career insights, young professional challenges, women's interests and more. Find a workshop for you. Register and learn more at www.spe.org/atws.

| | | |
|---|-----------------------------|----------------------------------|
| SPE/EAGE Joint Workshop: Tight Gas Reservoir Development—Challenges and Future Outlook | 31 March–3 April 2008 | Scheveningen, The Netherlands |
| Artificial Life Systems | 7–11 April 2008 | Mendoza, Argentina |
| Water Management in the Oil Industry | 6–9 April 2008 | Bali, Indonesia |
| Artificial Lift Systems | 8–10 April 2008 | Mendoza, Argentina |
| The Extended Reach Drilling Solution: Why, Where, and How | 28–30 April 2008 | Abu Dhabi, UAE |
| Wireline Formation Testing in Hostile Environments: H ₂ S, HP/HT, CO ₂ , and Slim Holes | 11–14 May 2008 | Alexandria, Egypt |
| SPE/AAPG LWD Sonic Joint Workshop | 12–13 May 2008 | San Antonio, Texas, USA |
| Condensate Recovery in Gas Condensate Fields | 14–16 May 2008 | Moscow, Russia |
| Roadmap to Successful Storage of CO ₂ | 19–22 May 2008 | Dubrovnik, Croatia |
| Produced Water Handling and Disposal | 4–5 June 2008 | Port-of-Spain, Trinidad & Tobago |
| Tight Gas Development and Planning | 15–18 June 2008 | Hangzhou, China |
| Subsea Processing Today and Tomorrow: Deployment Time! | 16–19 June 2008 | Stresa, Italy |
| Horizontal Well Stimulation: Regional Technology Workshop | 17–18 June 2008 | Midland, Texas, USA |
| IBP Increased Production in Complex Offshore Reservoirs | 17–19 June 2008 | Vitoria, Brazil |
| SPE/IBP Joint Workshop: Well Technologies for Enhancing the Productivity of Complex Offshore Reservoirs | 17–19 June 2008 | Vitoria, Brazil |
| LNG: Challenges to Development | 22–25 June 2008 | Kota Kinabalu, Sabah, Malaysia |
| Closed-Loop Reservoir Management | 23–26 June 2008 | Bruges, Belgium |
| Hydraulic Fracturing | 24–25 June 2008 | Bogota, Colombia |

the Productivity of Complex Offshore Reservoirs

22–25 June • Kota Kinabalu, Malaysia • **LNG—Challenges to Development**

23–26 June • Bruges, Belgium • **Closed-Loop Reservoir Management**

24–25 June • Bogota, Colombia • **Hydraulic Fracturing**

10–11 September • Bogota, Colombia • **Young Professionals Workshop**

CONFERENCES

15–17 April • Nice, France • **SPE International Health, Safety and Environment Conference**

20–23 April • Tulsa, Oklahoma, USA • **SPE Symposium on Improved Oil Recovery**

21–23 April • Muscat, Oman • **SPE EOR Conference at Oil and Gas West Asia**

21–24 April • Langkawi, Kedah, Malaysia • **Development of Marginal Offshore Fields**

27–29 April • Houston, Texas, USA • **SPE Progressing Cavity Pumps Conference**

5–8 May • Houston, Texas, USA • **Offshore Technology Conference**

27 May • Aberdeen, UK • **SPE Fourth International Conference on Oilfield Corrosion**

28–29 May • Aberdeen, UK • **SPE Ninth International Conference on Oilfield Scale**

9–11 June • San Antonio, Texas, USA • **SPE Tight Gas Completions Conference**

9–12 June • Rome, Italy • **EAGE Annual Conference/SPE Europec**

16–19 June • Calgary, Alberta, Canada • **CIPC/SPE GTS 2008 Joint Conference**

FORUM SERIES

11–16 May • Phuket, Thailand • **Deepwater—The Way Forward**

1–6 June • Colorado Springs, Colorado, USA • **Reservoir Geomechanics**

24–29 August • Kananaskis, Alberta, Canada • **R&D Meets Reality: E&P Project, Facilities, and Construction Technologies That Will Make a Difference**

24–29 August • Kananaskis, Alberta, Canada • **Steam Generation**

31 August–5 September • Cascais, Portugal • **Revisiting Water Injection for the 21st Century**

The poster features a dark background with a grid of glowing yellow and white lines that create a perspective effect, receding into the distance. The SPE logo is in the top left, and the event details are in the top right. The main title is in large, bold, yellow and white text. The bottom left has the text 'New for 2008' and the bottom right has the website URL.

 **Society of Petroleum Engineers**

9–11 June 2008
San Antonio, Texas, USA
