PIONEERS

yesterday

today

tomorrow

Delivering energy for generations to come.

At Saudi Aramco, the pioneering spirit of our earliest employees is still reflected in today's operations and tomorrow's opportunities. That's because working for Saudi Aramco is more than just a job. It's contributing to world-class megaprojects, working with leading-edge technologies and being associated with an industry leader. It's also sharing the responsibility and commitment of delivering energy to the world for generations to come.

What is your role in meeting our global energy needs?

To pursue a challenging and rewarding career with Saudi Aramco, visit:

TM

Drill Faster. Last Longer. Go Further.

QUANTEC

New Technology for Record-Breaking Performance

Superior durability. Superior stability. Superior drilling.

The revolutionary new Quantec premium PDC drill bits from Hughes Christensen set new standards for high-performance drilling, shattering records in challenging environments from hard granite to highly abrasive sandstone and shale. Precision depth of cut and incomparable wear resistance deliver extended operating life and accelerated rates of penetration that can save you days of rig time. Quantec — only from Hughes Christensen.

The Drill Bit Company.
