STOP Sucker Rod Failures, Enjoy 100% PUMP EFFICIENCY

Adam Praisnar, Jr.

Professional Petroleum Engineer—Texas
Midland, Texas

432-570-6514 praisnar@t3wireless.com

The only thing that prevents perfect sub-surface pump performance is Gas Interference. Pump failures, fluid pound, and rod failures are all products of Gas Interference. I have long successful experience solving for Gas Interference and eliminating these subsurface problems.
