

**2008 ADIPEC Tentative Session Grid**

		Hall 1	Hall 2	Hall 3	Hall 4	Hall 5	Hall 6
<b>Monday 3 November</b>	AM	<b>Exhibition and Conference Opening Ceremony</b>					
	PM	<b>Executive Plenary Session (Part 1) 1330–1530 hours and Executive Plenary Session (Part 2) 1600–1800 hours</b>					
<b>Tuesday 4 November</b>	AM	Panel 1 The Peak Oil Debate	Panel 2 Technology Innovation	Session 1 Drilling Performance Management	Innovative Technology Applications	Session 3 Human Capital: The Road Ahead	Session 4 Operations and Maintenance
	PM	Panel 3 Sustainability	Panel 4 The Role of the Major Players in Building Production	Session 5 Health & Safety	Session 6 Engineering Design	Session 7 Technology and Innovation	Session 8 Seismic Reservoir Characterisation
<b>Wednesday 5 November</b>	AM	Panel 5 Future Gas Development	Panel 6 Human Resources Development	Session 9 Completion Technology	Session 10 Engineering Projects	Session 11 Reservoir Management	Session 12 Formation Evaluation
	PM	Panel 7 Project Management in a Changing Contracting Environment	Panel 8 New Frontiers Development and Emerging Producers	Session 13 Drilling Technology	Session 14 Management Systems and Behavioural Safety	Session 15 Field Development Case Studies	Session 16 Reservoir Characterisation and Modelling
<b>Thursday 6 November</b>	AM	Panel 9 The Changing Face of the Petrodollar	Panel 10 Technology Deployment in a Collaborative Environment	Session 17 Reservoir Analysis and Fluid Properties (MIO)	Session 18 Drilling Fluid Technology	Session 19 Basin Analysis and Hydrocarbon Systems	Session 20 EOR/IOR
	PM	Session 21 Completion Technology	Session 22 Field Development: Technology and Innovation	Session 23 Management Systems	Session 24 Projects and Contracting	Session 25 Environment	Session 26 Seismic Acquisition and Processing

	Technical Sessions
	Panel Sessions
