

ACCESS GUIDE

What this Guide Does

This guide will provide you with step-by-step instructions for accessing your subscription on OnePetro.

What is OnePetro?

OnePetro.org is a multi-society library that contains full text PDFs of more than 80,000 documents from the following societies:

- American Petroleum Institute (API)
- American Rock Mechanics Association (ARMA)
- American Society of Safety Engineers (ASSE)
- Offshore Technology Conference (OTC)
- NACE International (corrosion engineers)
- Society of Petroleum Engineers (SPE)
- Society of Petrophysicists and Well Log Analysts (SPWLA)
- Society of Underwater Technology (SUT)
- World Petroleum Council (WPC)

Accessing your SPE Subscription in OnePetro

OnePetro is a separate website from www.spe.org. Users **MUST** create a OnePetro login (separate from the SPE login) to access member pricing and/or individual subscriptions in OnePetro. It can be the same as the password you have elected to use on SPE.org, but is not required.

How to Register on OnePetro:

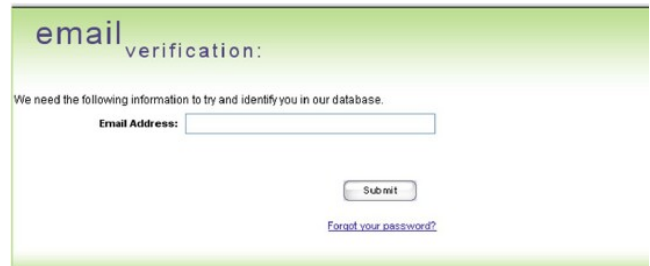

1. Click on the login link in the upper right hand corner of the OnePetro Homepage.

2. Click on "New User Registration" on the login screen.

3. The first thing you will see is a screen to validate that you do not already have a login active in the OnePetro system.

If you already have a login, it will refer you to the "Forgot Password" or request you contact Customer Service (service@onepetro.org) for assistance.

4. Once our system determines you are a new user it will display a page to enter your profile information.

Required fields:

- Email Address (already filled in from previous page)
- Password
- Confirm Password
- Challenge Question and Answer
- First Name (Forename, Given Name)
- Last Name (Surname)
- Address Line 1
- City
- Country

Note: You are welcome to provide a phone number so we can contact you in case there is an issue with your order or downloads, but it is not required.

5. Membership Information: (optional)

You will now see a page that gives you the option to enter your member login information for any society that offers member pricing. This will then apply member pricing to any document you add to your cart when you are logged in. Currently only SPE and ARMA offer member pricing.

*****You do not have to enter anything on this page if you do not have a membership. Just click continue to complete the registration process.**
