

Limited (Packaged Download) Subscription Access Instructions

Depending on your subscription you may have access to the following:

1. Full subscription to OnePetro: *Access to download conference and journal papers from any participating society.*
2. A subscription to SPE papers only: **2009 only. After the current SPE subscriptions expire, all subscribers will need to purchase a full OnePetro subscription to have continued access to SPE papers as part of a subscription.*

1. To see subscription or member pricing, you **MUST** be logged in. *(You can chose to login from the cart page if you prefer.)*
2. Add selected papers to your cart using the “add to cart” link.

Users must login to obtain subscription pricing

The user will need to add the paper to their cart. The pricing will display as \$0.00 once they are in the cart.

3. Once you have made your selections, click “View Cart” or “Checkout” and you will see a cart with \$0.00 pricing*, then click on “continue”.

Cart View

NT ID	TITLE	COST
	New Concepts For Load Transfer In Threaded Connections	US \$ 0.00
