APOGCE
Asia Pacific Oil & Gas Conference and Exhibition

17 – 19 October 2017
Bali Nusa Dua Convention Center, Bali, Indonesia

Energy Resilience through Efficiency, Collaboration and Technology

APOGCE is a premier upstream annual technical conference in the Asia Pacific region covering the most extensive range of disciplines involved in exploration and production activities.

Themed “Energy Resilience through Efficiency, Collaboration and Technology”, the SPE/IATMI Asia Pacific Oil & Gas Conference and Exhibition (APOGCE) 2017 brings together renowned industry leaders and energy professionals for stimulating technical exchange to examine the need for the industry to focus on a sustainable operational blueprint, innovative technological applications and cost-effective operational measures.

1000+ participants from 30+ countries

400+ technical presentations from 100+ Industry organisations

35 technical, 8 ePoster, 13 plenary, panel, regional project case study and special sessions

3 days of networking opportunities, business forum, YP workshop, and multiple educational programmes

www.spe.org/go/17APOG
SPECIAL PRESENTATION AND DISCUSSION TOPICS INCLUDE

- Energy Resilience through Efficiency, Collaboration and Technology
- Thriving in Low Oil Price Scenarios
- Marginal Field Development and Redevelopment Opportunities
- Indonesia Session - Rejuvenation Exploration and Development
- Sustaining Production from Mature Fields and Brownfields
- Managing Smooth Operatorship Transfer
- Powering Asia through LNG
- Geology Aspects for Reservoir and Production Engineering Application
- Rate Transient Analysis: A Rainbow of Real-Life Cases
- Asset Abandonment and Well Integrity
- Field Development Planning in Indonesia
- Oil and Gas Project Case Study 1: Banyu Urip
- Oil and Gas Project Case Study 2: PFLNG

DISTINGUISHED SPEAKERS INCLUDE

- Elia Massa Manik, President Director, PT Pertamina (Persero)
- Datuk Mohd Anuar Taib, Executive Vice President and Chief Executive Officer, Upstream, PETRONAS
- Christina Verchere, Regional President - Asia Pacific, BP
