

SPONSORSHIP OPPORTUNITIES

SPE Workshop: The Montney – Playing to Win

29-30 October 2019 | Hudson | Calgary, Alberta, Canada

About this Workshop:

Montney operators have created enormous value in the past decade, but the world hasn't stood still. Competition for energy markets is fierce and investment capital is scarce. US unconventional in particular pose an existential threat to our competitive position.

During this two-day workshop, we explore how we can continue to thrive in this challenging and ever-changing industry.

Talk to us about custom sponsorship packages if the below options aren't a fit for your budget. We have some flexibility and are open to new ideas.

Why Sponsor?

Sponsorship helps offset the cost of producing workshops and allows SPE to keep the attendance price within reach of operation level individuals, those who benefit most from these technical workshops. Sponsors benefit both directly and indirectly by having their name associated with a specific workshop.

This workshop typically averages 225-275 attendees, **offering sponsors unique access to a focused group of key decision makers in the operating community.** This is an informed audience discussing state-of-the art technology and best practices.

While SPE prohibits any type of commercialism within the meeting room itself, the society recognizes that sponsoring companies offer valuable information to attendees outside the technical sessions.

Sales Contact:

Contact **Kristin Briard** at kbriard@spe.org or 403-930-5465 to discuss sponsorship packages. Sponsorships are offered on a first come basis. Applicable taxes will be added to the invoice.

TECHNOLOGY SHOWCASE:

CAD 2,000 + GST (10 Available)

SPE's Technology Showcase is an opportunity for operators, service companies, academia and consultants to share their technologies, innovations, products and/or services to a focused group of key decision makers in the oil and gas community. The Showcase consists of a table-top exhibit setup in the networking area of the workshop. While SPE prohibits any type of commercialism within the session room itself, the networking breaks (breakfast, coffee, lunch and receptions) are a perfect opportunity to share and discuss your offering with workshop attendees.

- Display can be setup up the day before and up to 1 hour before breakfast and remain until the end of the workshop.
- A 6 ft. draped table plus two chairs will be provided.
- Electricity and internet provided by SPE.
- Companies to bring their own self-supporting signs/displays, laptops, etc.

***Registration to the Workshop is not included.**
