High-Quality Technical Content Paired with Discussion on Sustainability and Industry Pride

Attendees from across all E&P disciplines will have access to both technical programs, a shared exhibition, and multiple networking opportunities with a single registration. Join us on 17–19 March, 2020, at Ágora Convention Center in Bogotá, Colombia.

More than 400 papers* will be presented across 53 technical sessions, 11 panels, four plenaries, and a young professionals session to accentuate this robust program.

*Presented papers will be published to OnePetro®.

About LACPEC

For more than 25 years, LACPEC continues to meet the existing, emerging, and future technical needs for the upstream petroleum sector.

With the theme, “Going Beyond the Limits: Emerging Technologies for a Sustainable Energy Balance,” the conference will unveil actionable insights and strategic partnerships for capitalizing on the region’s oil and gas opportunities.

The most cited benefits by past attendees are the excellent topic selection and opportunity to make valuable new business contacts with oil and gas professionals from around the world.

About the International Conference on HSE and Sustainability

For more than 25 years, this conference rotates around the world highlighting innovative applications to enhance HSE and sustainability performance in the oil and gas sector.

Themed “Generating Pride and Enabling Engagement,” this conference is the must-attend event for professionals in the oil and gas industry. Three days of knowledge sharing and interactive sessions that advance industry performance in significant ways. These events will showcase a powerful combination of technical, panel, and executive sessions that engage both industry and external experts in forward-looking, strategic concepts.

Plan to Attend the Joint Special Sessions!
Included with your single registration.

Opening Ceremony
Renowned business leaders will gather to celebrate E&P accomplishments and the start of two exceptional SPE events.

Featured Participations:
- Shauna Noonan, 2020 SPE President
  Occidental Petroleum Corp
- Felipe Bayón, LACPEC General Chairperson
  Ecopetrol
- Carlos Sarmiento, HSE and Sustainability Chairperson
  Schlumberger
- Fuzzy Bitar, IOGP Chairman will present the
  *IOGP Young Professionals Awards.

Executive Plenary Session
State of the Industry and Path Forward – Sustainable Energy Shaped by Innovation and Engagement
This joint plenary session will bring together oil and gas executives to discuss their perspectives on the region’s foremost challenges and opportunities. A special emphasis on the interdependency between sustainable development and technology advancement will provide the audience with actionable insights to support regional and global growth efforts.

* Applications for the Awards must be submitted by Friday, 22 November 2019. Visit www.iogp.org/award to learn more.

Joint Networking Opportunities
Welcome Reception and Coffee Breaks on Exhibit Floor
Collaborate with other E&P professionals while building relationships with Ecopetrol, Oxy, YPF, Baker Hughes, Petrobras, Repsol, Schlumberger, Total, and many others.

Daily Networking Luncheons on Fourth Floor
Take the opportunity to meet friends and colleagues and be part of manifesting industry pride.

SPE Training Courses
Maximize your learning experience by taking advantage of the SPE Training Courses aimed to energize your career and advance your professional development. Attendees will be eligible to earn CEUs. Separate registration required.

Student Events
Regional Student Paper Contest for undergraduate, master, and PhD students will take place on 20 March and will provide the opportunity to compete at the International Student Paper Contest during the 2020 SPE Annual Technical Conference and Exhibition (ATCE) in Denver, Colorado, USA. Submissions start 1 November 2019.

PETROBOWL® South America and Caribbean Regional qualifier for student chapters to participate in a fast-paced quiz competition covering technical and nontechnical aspects of the oil and gas industry. Can UNAM keep hold of the trophy or will a new team take the top spot?

Events are subject to change. For the latest information and to register, visit go.spe.org/attendLACPEC for LACPEC or go.spe.org/attendHSES for the International Conference on HSE and Sustainability.
Exhibit and Sponsorship Opportunities Available

Reserve your exhibit space to showcase to top E&P buyers in the energy sector and take advantage of high-impact sponsorship opportunities to maximize your company’s exposure and ROI.

Exhibitors will benefit from the release of their goods and promotional materials showcased at the exhibition, because Ágora Convention Center is part of Corferias, a special permanent duty-free zone.

Only a few exhibit spaces remain!
Contact your Sales representative to secure your exhibit space today.
In the event of a sold out floorplan, your company will be added to a waitlist which we will refer to should space become available.
