IF YOUR ABSTRACT IS ACCEPTED

- Authors of selected abstracts will be notified till **25 April 2022, 23:59, Moscow time**. Notification will be sent ONLY to the Corresponding author.
- If your paper proposal is accepted it may be published, as submitted, in the conference information media, including the event website.
- Your abstract may be accepted for presentation either in a technical session or in a knowledge sharing eposter session.
- If your abstract is accepted, you will be required to produce and provide a technical paper (manuscript) **in both Russian and English. Providing manuscripts in both languages is obligatory**. Please note that paper translated via Google translator or similar programme is not acceptable. All translation expenses to be covered by authors.
- The manuscripts must be submitted **BY 05 July 2022, 23:59, Moscow time**. Extension for submission is NOT provided, so please make sure your preparation schedule is accurate.
- Failure to submit your manuscripts by the deadline will result in your presentation being withdrawn from the conference programme and the author will not be allowed to present.
- **Please make sure that the conference organisers has received all the required documents.** If you haven’t received any comments or delivery confirmation in 4-5 working days after sending the documents, please immediately contact the organisers at Russianoilandgas@spe.org or by phone +7 495 268 04 54.
- **Papers with no feedback received from authors till the manuscript submission deadline will be withdrawn.**
- **Your paper will be reviewed by the programme committee members. Their recommendations are obligatory to follow.**
- Your paper will be converted into an industry standard XML format and adjusted the layout according to a standard template.
- Your presentation will be reviewed by your session moderator. **If you haven’t provided the presentation till the deadline for any reason, your paper will be withdrawn from the conference programme.**
- Manuscripts will be included in the conference proceedings as well as published in the largest electronic library of technical literature for the oil and gas – OnePetro®.
- Detailed instructions for the manuscript and presentation preparation will be sent to the corresponding author of each accepted paper.
