FEB 28 - MARCH 1
2022 SPE NORTH AMERICA STUDENT SYMPOSIUM

About the Event
The SPE North America Student Symposium is an annual conference organized by SPE International student members across North America. The Symposium presents an opportunity for students to enhance their knowledge of the oil and gas industry through the insights and experiences of industry leaders and advocates. The theme for this year’s symposium is Maximizing Your Career in a Dynamic Energy Industry, and programming will highlight the possible techniques for actualizing career optimization in an ever-changing industry as well as alternative career paths for petroleum engineers.

Keynote Speaker
Mark Rubin
CEO & EVP
Society of Petroleum Engineers

– Industry Panel
– Networking and Social Outing
– Career Exhibition / Fair
– Field Trip

Organized By:
Oklahoma State University
