SPE Workshop: Montney and Duvernay: Poised to Capitalize Upon Opportunity

2 - 3 Nov 2022 | Chateau Lake Louise | Lake Louise, Alberta, Canada

TECHNOLOGY SHOWCASE:

CAD 2,700 (Sponsoring Companies) + GST

CAD 3,500 (Non Sponsoring Companies) + GST

The Technology Showcase is an opportunity for operators, service companies, and consultants to showcase their technologies to a unique focused group of key decision makers in the oil and gas community. The Showcase is a designated 10x10 area set up in the networking area of the workshop. While SPE prohibits any type of commercialism within the meeting room itself, we recognize that our networking breaks (breakfast, coffee, lunch, and reception) offer a more informal atmosphere in which technology can be showcased and discussed.

- ◆ Display to be set-up the day before the workshop. Move-in time will be a scheduled time and based on first come first serve.
- ◆ One (1) complimentary registration included.
- ◆ 6 ft. draped table plus two chairs will be provided.
- ◆ Electricity and internet provided.
- ◆ Companies to bring their own self-supporting signs/displays, laptops, etc.

Many options can be packaged and tailored to meet your specific business objectives.
