

SPE International Conferences & Exhibitions on Oilfield Corrosion: 09-10 May 2016 Oilfield Scale: 11-12 May 2016

JOINING INSTRUCTIONS

Please find below your joining instructions confirming your attendance at our SPE International Oilfield Corrosion and/or Oilfield Scale Conferences and Exhibitions. If you have any queries please do not hesitate to contact Olayide Babayemi OBabayemi@spe.org. We look forward to seeing you in Aberdeen.

Date & Venue

Oilfield Corrosion: 09-10 May 2016

Oilfield Scale: 11-12 May 2016

Aberdeen Exhibition and Conference Centre, Bridge of Don, Aberdeen AB23 8BL, UK

☎: +44 (0)1224 824 824

Website: <http://aecc.co.uk>

Transport & Travel

Prior to departure, please ensure that you have current travel documents and, if necessary, an entry visa for the UK. Travel directions are available on the venue [website](#). Delegates are advised to check local travel and transport conditions prior to departure.

The Aberdeen Exhibition and Conference Centre (AECC) is situated 10 minutes from Aberdeen city centre. Aberdeen International Airport is a short drive away and has frequent connections to London/UK airports and good service to northern European destinations. The Aberdeen railway station is also a short drive from AECC and connects to all main UK stations. We encourage delegates to use public transport where possible.

Accommodation

Delegates are responsible for booking and paying for their own accommodation during the conference. To book accommodation at the SPE rate please visit the accommodation [link](#) by Thursday 28 April. For any other bookings after this time please use booking.com or a company travel agent.

Registration

Conference registration will take place in the concourse at the following times:

Oilfield Corrosion: Monday 09 May at 0730-0830 hours

Oilfield Scale: Wednesday 11 May at 0730-0830 hours

Badge Collection

All delegates will receive a registration email prior to the conference with a unique BADGE ID. Please print or download the registration instructions with your BADGE ID number to collect your badge onsite.

Please be prepared to show photo ID to collect your badge and students will need to show a current student card. Upon issue of your badge, please ensure that it is worn at all times.

Upon registration, delegates will be able to collect a conference programme, delegate bag and badge lanyard. The registration desk will be open throughout the conference.

Authors' Room

All authors have been sent final instructions regarding their presentations. After registration, please report to Room 17 to sign in and load your slides. On the day of your presentation, please report to the Author Room ½ hour before the start of the session when you will have the opportunity to meet your fellow presenters as well as the session chairs and run through any last minute queries. Any queries about your presentation prior to the event should be sent to londonprog@spe.org.

Programme (subject to amendment)

SPE International Conferences & Exhibitions on Oilfield Corrosion: 09-10 May 2016 Oilfield Scale: 11-12 May 2016

The full programme listing, including timings, is currently available on the Oilfield Scale and Oilfield Corrosion event websites.

Posters

A variety of poster presentations will be displayed in the exhibition hall throughout the conference. We would encourage all delegates to take a moment during the session breaks to view these posters covering a range of related subjects.

Training Courses

Monday 9 – Tuesday 10, 0800-1700

Formation and Prevention of Oilfield Scale: From the Laboratory to the Field

<http://www.spe.org/training/courses/FAP.php>

Wednesday 11, 0800-1630

Corrosion Management and Microbiologically Influenced Corrosion (MIC)

<http://www.spe.org/training/courses/CMM1.php>

If you are not yet registered, for the training course and would like to attend please email formslondon@spe.org

Exhibition

An exhibition is running alongside both conferences and delegates are encouraged to visit the stands during the coffee breaks.

Digital Conference Proceedings

Digital Proceedings will be delivered through the OnePetro website. From the first day of the conference you will be able to visit www.onepetro.org and enter your access token to download the proceedings. Registration and log-in to OnePetro will be required to redeem your token and can only be used for a single OnePetro account. After redeeming your token you will have continued access to all technical papers for this conference in OnePetro on any compatible device when logged on to your account. Your unique 12digit access code and detailed instructions will be provided in a download card.

House Keeping Notices

Before the start and the end of each session there will be housekeeping notices announced by the Session Chairs. Please ensure that you pay the necessary attention to the announcements being made.

Networking

Corrosion Conference & Exhibition Reception

Monday 9 May, Boyd Orr, 1745 - 2000

Scale Conference & Exhibition Reception

Wednesday 11 May, Boyd Orr, 1700 - 2000

The conference receptions will provide ample opportunity to network with delegates, authors, exhibitors, and industry contacts.

Lunch

Lunch will be served in the exhibition hall at the following times:

Oilfield Corrosion Lunch

Monday 9 May: 1330 - 1430

Tuesday 10 May: 1330 – 1430

Oilfield Scale Lunch

Wednesday 11 May: 1230 – 1330

Tuesday 12 May: 1230 – 1330

SPE International Conferences & Exhibitions on Oilfield Corrosion: 09-10 May 2016 Oilfield Scale: 11-12 May 2016

Dress

Business dress

AV Copyright

All SPE sessions are protected by European copyright laws. Photography and video/audio recording on any kind is strictly prohibited.

Mobile/cell phone policy

As a courtesy to the speakers and your fellow attendees, please turn off all mobile phones during meetings and sessions.

Emergency Procedures

All conference participants are requested to familiarise themselves upon arrival with emergency procedures and exits. In the event of an emergency, conference centre staff will provide any necessary information and instructions. In an emergency an audible alarm will sound. An intermittent alarm signifies an emergency in another part of the building and as a result, evacuation will not be necessary. If a continuous alarm is heard, please evacuate via the nearest fire exit. Do not make use of the lifts.

Internet Access

Wifi for the conference is complimentary.

To access the wifi please follow the below instructions:

Wifi: AECC

Username: network

Password: 1utds76t

Special Arrangements

If you have any additional requirements, such as mobility or dietary needs, please contact OBabayemi@spe.org by **6 May 2016** at the latest.

SPE Events

The Society runs a full programme of events, the details of which are listed on our [website](#). A number of sponsorship packages and exhibition opportunities are available at our events and if you are interested in any of these, please contact DGuest@spe.org who will be pleased to discuss options with you.
