

SPE Publications — PDF Presets for joboptions

What is the SPE_Publications joboptions file?

The SPE_Publications joboptions file contains PDF settings that when selected, will produce a PDF consistent with the SPE Publications specifications. Using this joboptions file will produce an Adobe PDF suitable for submission to all Society of Petroleum Engineers publications and meetings materials.

How do I install the file?

Follow these steps to automatically set your PDF settings to SPE Publications standards.

1. Download the **SPE Publications-Advertiser kit.zip** from www.spe.org/sales/publications.
2. Depending on what type of computer/operating system you are running, save the file (**SPE_Publications.joboptions**) to one of the following locations:

(Windows XP)

Documents and Settings/[username]/
Application Data/Adobe/Adobe PDF/Settings

(Vista/Windows 7)

Users/[username]/AppData/Roaming/Adobe/
Adobe PDF/Settings

(Mac OS)

Library/Application Support/Adobe/Adobe PDF/
Settings

3. Open the application and use the SPE_Publications setting to create the PDF.

How do I create a PDF?

Directions for Adobe applications (InDesign, Illustrator, and Photoshop) and Microsoft applications (Word & Publisher) are illustrated in the following two pages.

NOTE: SPE does not accept application files. A PDF must be uploaded to the SPE ad portal at spe.sendmyad.com.

Creating a PDF with SPE job options

Adobe InDesign CC 2018

Follow these steps to create a PDF in InDesign that meets SPE publication standards.

1. Layout ad using ad specifications listed on the SPE Ad Portal, spe.sendmyad.com.
2. Preflight the ad using the SPE Publications preflight profile. The file (**SPE Publications.idpp**) is included in the SPE Publications-Advertisers Kit download.
3. Choose File>Export

4. Choose the file name and location where to save the PDF. Select “Adobe PDF (Print)” as export file type and click “Save.”

5. Select “SPE Publications” from the Adobe PDF preset drop down menu. If your document includes multiple pages, make sure to only include one page in the PDF. Click “Export.”

Adobe Illustrator CC 2018

Follow these steps to create a PDF in Illustrator that meets SPE publication standards.

1. Layout ad using ad specifications listed on the SPE Ad Portal, spe.sendmyad.com.
2. Check that colors and graphics used are CMYK and have a minimum resolution of 300 dpi.
3. Choose File>Save As

4. Choose the file name and location where to save the PDF. Select “Adobe PDF” as export file type and click “Save.”

5. Select “SPE Publications” from the Adobe PDF preset drop down menu. Click “Save PDF.”

5. If the following pop-up box appears, please click “OK” to continue creating the PDF.

Creating a PDF with SPE job options
