SPE International Conference and Exhibition on Health, Safety, Security, Environment, and Social Responsibility

16–18 April 2018

Jumeirah at Etihad Towers
Abu Dhabi, United Arab Emirates

www.spe.org/events/hse

Conference Preview
WE ARE RELIABLE

We have a proud safety record. Our Lost Time Injury Frequency (LTIF) rate was 37% lower than the industry average in 2016 (IOGP).
Dear Colleague,

On behalf of the Society of Petroleum Engineers (SPE) and the Conference Programme Committee, it gives me great pleasure to invite you to participate in the 2018 SPE International Conference and Exhibition on Health, Safety, Security, Environment, and Social Responsibility, taking place 16-18 April 2018, in Abu Dhabi, UAE.

HSE means keeping our people, communities, and the environment safe from harm, and ensuring the integrity of our assets and the continuity of our business. HSE is the way all of us should think and act—never leaving room for compromises, shortcuts or negotiations.

Through this event, themed “Continuing HSSE-SR Excellence for a Sustainable Future”, we hope to create a platform where all the industry’s stakeholders, from the individual oil and gas professional to the HSE officer to the subject-matter specialist, can come together to discuss and debate current HSE systems and procedures, choose the best practices, and bring about the changes that will lead to the industry’s continued success and advancement.

It is in this spirit that we encourage you to take part in this international event that has been serving the industry for more than 25 years.

We look forward to meeting you there!

Sincerely,

Abdulla Al Marzooqi
Conference Chair
ADNOC
About the Conference

For more than 25 years, the SPE International Conference on Health, Safety, Security, Environment, and Social Responsibility, has been the E&P industry’s premier international event highlighting HSE best practices and challenges. Our goal is to reach beyond the industry by introducing presentations, special topical sessions, and networking opportunities unavailable anywhere else.

The event will attract more than 1,500 HSE leaders and professionals working in the international oil and gas sector. Alongside the conference, an exhibition will showcase the latest technologies, products, and industry services from around the world.

Why Attend

- Connect with over 1,500 professionals from around the globe
- Network with like-minded professionals who face the same challenges and share the same interests as you
- Learn and keep up-to-date with the latest trends and practices
- Access influential speakers and industry leaders at the opening, plenary and panel sessions
- Explore new-age topics with special sessions on cyber security and the role of big data analytics
- Discover solutions and business opportunities at the exhibition floor

Who Attends

- HSE managers, leaders, and professionals
- Safety and operations managers
- Compliance officers
- Environmental specialists
- Business development managers
- Management and leadership
- Consultants
- Educators
- Government officials and regulators

Registration is now open

SPE members pay the lower registration fee. Join or renew your membership today at www.spe.org.

Disciplines

- Multi-disciplinary
- HSE
- Drilling
- Completions
- Management and Information
- Projects Facilities and Construction
- Production and Operations
- Reservoir Description and Dynamics

Opening Ceremony

Monday, 16 April 2018 | 0900–1000
Mezzoon Ballrooms 3 and 4

Keynote Speaker
Abdulmunim Saif Al Kindy
Director, Upstream Directorate
ADNOC

Welcome Address
Abdulla Al Marzooqi
Conference Chair, HSE Unit Manager
ADNOC

Followed by the 2018 IOGP Outstanding Young Professional Award Presentation

Executive Plenary Session:
Continuing HSSE-SR Excellence for a Sustainable Future

Monday, 16 April 2018 | 1100–1230
Mezzoon Ballrooms 3 and 4

Moderator
Gordon Ballard
Executive Director
IOGP

Speakers
Dawood M. Al-Dawood
Vice President, Northern Area Oil Operations
Saudi Aramco

Ali Al Jarwan
Chief Executive Officer
Dragon Oil

Fuzzy Bitar
Head of Global Operations, Upstream
BP

Ahmed Kenawi
Senior Vice President, Middle East and North Africa Region
Halliburton

Visit www.spe.org/events/hse to register for the SPE International Conference on Health, Safety, Security, Environment, and Social Responsibility
Panel Session 1: Human Factors and Learning from Incidents

Monday, 16 April 2018 | 1330–1500

Moderator
Waddah Ghanem
Executive Director, EHSSQ & Corporate Affairs
ENOC

Speakers
Yong Sai Chung
Head, Health, Safety and Environment, Upstream HSE
PETRONAS
W. Ian Hamilton
Global Head of Human Factors
ERM
Chris Hawkes
Safety Director
IOGP
Jack Hinton
Chief Health, Safety and Environment (HSE) Officer
Baker Hughes, a GE company

Panel Session 2: Climate Change and Sustainable Development—Why Upstream Oil and Gas is a Major Player

Monday, 16 April 2018 | 1530–1700

Moderator
Brian Sullivan
Executive Director
IPIECA

Speakers
Omar Abdulhamid
Vice President, Environmental Protection
Saudi Aramco
Bjorn Hamso
Programme Manager, Global Gas Flaring Reduction (GGFR) Partnership
World Bank
Laurent Jammes
Co-Founder
Actys and YBL Consulting
and Senior Advisor
ENEA Consulting
Olaf Martins
Global Engagement Manager
IOGP
Liz Rogers
Vice President Environment, Social Responsibility and HSSE Compliance
BP

Our conferences, forums, workshops, training courses, SPE section events, and online member communities provide unmatched networking opportunities for you to stay well connected.

Join the Society of Petroleum Engineers, a not-for-profit professional association that serves a growing worldwide membership in the E&P industry. SPE is a key resource for technical knowledge providing publications, events, training courses, and online resources.

To learn more and become a member, visit [www.spe.org/join](http://www.spe.org/join).

Join the conversation.
Sponsorship and Exhibition Opportunities Available

Give your organisation maximum exposure to a sophisticated audience of E&P and HSE professionals, including top decision makers in the industry.

The sponsorship packages have been carefully designed to align with different marketing objectives and to suit a range of budgets. The value of promoting your organisation’s name and brand at this event is immeasurable.

Why Sponsor
- Sponsorships are proven to give your company immediate visibility and impact
- Demonstrate your commitment to HSE advancement in the industry
- Gain brand exposure through marketing campaigns for the event

Why Exhibit
- Enhance your brand visibility to a core audience of 1,500+ HSE professionals
- Showcase your company’s technologies, services, and expertise
- Forge new face-to-face business relationships and reinforce existing ones with key buyers

For further information about sponsorship or exhibiting at the SPE International Conference and Exhibition on Health, Safety, Security, Environment, and Social Responsibility, contact:

The Society of Petroleum Engineers (SPE) is a not-for-profit organisation. Income from this event will be invested back into SPE to support many other Society programmes. When you attend an SPE event, you help provide even more opportunities for industry professionals to enhance their technical and professional competence. Scholarships, certification, the Distinguished Lecturer programme, and SPE’s energy education programme, Energy4me, are just a few examples of programmes that are supported by SPE.

advancing possibilities

At Saudi Aramco, we do so much more than provide energy to the world. We grow new businesses, fuel the economy, and drive innovation. By connecting energy, people, and ideas, we expand the possibilities created by our business to spur diversification and drive sustainable economic growth. Everything we do reflects our core belief that energy is opportunity.

We’re proud to be a Principal Sponsor of the 2018 SPE International Conference and Exhibition on Health, Safety, Security, Environment, and Social Responsibility.
