SPE/IADC DRILLING CONFERENCE & EXHIBITION

5-7 March 2019 | World Forum, The Hague

www.spe.org/go/drilling

Exhibition & Sponsorship
Welcome to the World’s Premier Drilling Event

With the process of recovering hydrocarbons becoming increasingly challenging, the need for an international gathering for drilling professionals has never been more critical.

For more than 30 years, the SPE/IADC Drilling Conference and Exhibition has become established as a unique confluence of the people and ideas best placed to advance our scientific understanding of drilling in oil and gas exploration and production. It brings together operator companies, contractor firms and service companies to address challenges and deliver improved performance.

Renowned for its world class technical content, the event is developed by the industry for the industry and is the perfect forum to learn, network and showcase.

Alternating annually between the US and Europe, in 2019, international drilling professionals will descend on the prestigious World Forum in The Hague to exchange knowledge, examine best practices and shine a spotlight on new technologies.

They will also be on the lookout for companies offering solutions to the industry’s greatest challenges and listening to thought leaders advocating the future of E&P.

This brochure will help you decide how you would like to participate. It gives you an outline of who will attend and a variety of ways you can make your company and expertise known to them. If you still have questions, the team will be happy to answer them for you.

However you choose to take part, you are certain to find your involvement rewarding.

Network
face-to-face with industry leaders and decision-makers

Showcase
your advanced technologies, valuable services and unique experience

Align
your organisation with the key discussion points within drilling

Associate
your brand with the highest calibre technical content in the industry

Acquire
valuable sales leads and client feedback

Expand
your market by identifying new potential customers, suppliers and partners
Meet your market

To participate in the 2019 SPE/IADC Drilling Conference & Exhibition is to become part of the global conversation driving the drilling sector and to reach an audience of industry leaders and decision makers.

Who will attend

- Applications engineers
- Design engineers and supervisors
- Drilling and completions engineers
- Executives
- Geologists/petrophysicists
- Production and operations engineers
- Rig engineers
- R&D professionals
- Reservoir engineers

The types of organisation that will be represented

- International operators / national oil companies
- Service / manufacturing / contractors
- Academia
- Consultants
- Government bodies

How your support impacts the industry

The Society of Petroleum Engineers (SPE) and the International Association of Drilling Contractors (IADC) are not-for-profit organisations. Income from this event will be invested back into the organisations to support other educational programmes. When you exhibit, sponsor or advertise, you help provide even more opportunities for industry professionals to enhance their technical and professional competence.
SPE/IADC 2017 - Who Attended?

Attendees

- **98%** visited the exhibition
- **80%** would recommend the conference to their peers
- **83%** rated the exhibition favourably
- **74%** spent a minimum of three hours at the exhibition

**Primary Area of Technical Interest**
- Drilling and completions: 87%
- Management and information: 7%
- Reservoir description and dynamics: 2%
- Health, safety, security, environment, and social responsibility: 2%
- Production and operations: 1%
- Projects, facilities, and construction: 1%

**Job Classification**
- Engineer: 37%
- Executive: 31%
- Manager: 21%
- Consultant: 5%
- Academia: 3%
- Geologist/geophysicist: 2%
- Other: 1%

**Geographical Region**
- Europe: 69%
- United States/Canada: 27%
- Asia Pacific: 2%
- Middle East and North Africa: 1%
- Russia / Caspian: 1%

Becoming an exhibitor

Gain more exposure for your company and brand by exhibiting at the industry’s leading event. The exhibition will run concurrently with the technical conference and will be the location for all refreshment breaks, lunches, and the drinks reception.

**Space Only or Stand Package?**
There are two ways you can exhibit – Space Only and Stand Package.

**Space Only** provides an area on the exhibition floor for you to construct your stand. It is ONLY available for stands of 36 square metres and above.

**Price EUR 460 per square metre**

**Stand Package** provides basic features such as stand walls, carpeting, and electrical sockets and is available for stands of 6 square metres and above.

**Price EUR 575 per square metre**

** BOTH Space Only and Stand Package exhibitors will receive:**
- Three complimentary full event registrations (valid for conference sessions, exhibition, lunches, and refreshments breaks) per 9 square metres of exhibition space up to a maximum of 18 registrations
- Three exhibitor guest passes (valid for exhibition only and for one day—either Wednesday or Thursday. Guests must be either clients or contacts from another organisation) per 9 square metres of exhibition space
- Company name and profile listed in the Conference and Exhibition Guide if received by deadline
- Company name listed on the 2019 SPE/IADC Drilling Conference and Exhibition website
- Access to the Proceedings will be sent to the exhibitor contact person after the meeting
- Continued support of SPE event, marketing, sales, and exhibitions department staff

**Stand Package exhibitors will receive:**
- Wall panels (2.2m or 2.5m high dependent on stand location)
- 500w Electrical sockets: One (1) per 3 sqm
- Spotlights: One (1) per 3sqm
- Company name and booth number in black on a fascia board
- Standard carpet tiles

**How to book your space:**

1. Select which option you require - Space Only or Stand Package
2. Select up to five booth locations on the exhibition floor plan (available on the website) and list them in order of preference on the Exhibition Space Contract
3. Complete and return the Exhibition Space Contract by email to Dean Guest, Sales Manager at dguest@spe.org

Payment of 100% of the total cost of exhibition space will be due on or before 30 days from the invoice date.

Deadline for priority number exhibitors to return the Exhibition Space Reservation Contract: 21 June 2019.

After the deadline date, space will be allocated to any potential exhibitor on a first-come, first-served basis. All exhibitors will receive a copy of the official Space Assignment Procedures.

“Exhibiting at the SPE/IADC Drilling in The Hague is money well spent. A discussion with a delegate at our stand led to a contract worth over $1 million - that’s what I call return on investment! I shall be returning in 2019.”

Become a sponsor

Partner Programme
SPE and IADC are pleased to present the Partner Programme—an initiative to showcase the dedication of oil and gas producers and corporations to the advancement of drilling technology, the study of drilling science and their support for the industry.

Platinum Partner—EUR 18,000
- Platinum Partner recognition with logo on the cover of the Conference Programme (along with other Platinum Partners only)
- Full-page colour advertisement in the Conference Preview
- Full-page colour advertisement in the Conference Programme
- Platinum Partner recognition with logo in the Conference Preview and Conference Programme sponsor pages
- Platinum Partner recognition with logo on signage in high-traffic areas
- Logo on dedicated presentation slide (along with other Platinum Partners) displayed between technical sessions
- Platinum Partner recognition with logo on the conference website which links to company website
- Six complimentary registrations to attend the conference

Gold Partner—EUR 13,000
- Half-page colour advertisement in the Conference Programme
- Gold Partner recognition with logo in the Conference Preview and Conference Programme sponsor pages
- Gold Partner recognition with company logo on signage in high-traffic areas
- Logo on presentation slide displayed between technical sessions (along with other Gold, Silver Partners and/or general sponsors)
- Gold Partner recognition with logo on the conference website which links to company website
- Four complimentary registrations to attend the conference

Silver Partner—EUR 8,500
- Silver Partner recognition with logo in the Conference Preview and Conference Programme sponsor pages
- Silver Partner recognition with logo on signage in high-traffic areas
- Logo on presentation slide displayed between technical sessions (along with other Gold, Silver Partners and/or general sponsors)
- Silver Partner recognition with company logo on the conference website which links to company website
- Three complimentary registrations to attend the conference
Other sponsorship packages

**ALL Sponsors Receive the Following Benefits:**

1. Prominent on-site signage displayed at the event in high-traffic areas
2. Logo on the Sponsors page in the Conference Preview*
3. Logo on the Sponsors page in the Conference Programme*
4. Logo on the event website including a link to your company’s website
5. Logo on the presentation slide displayed between technical sessions

**Additional benefits depending on the sponsorship**

**AV Equipment—EUR 6,000**

- Exclusive distribution of sponsor branded USB stick to all attendees. Sponsor company presentation or other collateral can be uploaded by the sponsor prior to distribution (USB sticks are provided by the sponsor who will send a sample to SPE for approval.)
- Two complimentary full conference registrations for company employees

**Coffee Breaks—EUR 5,500 (per day) EUR 10,000 (Exclusive package)**

- Your company logo displayed on signage at the refreshment points located around the exhibition hall
- Your company logo on the napkins (napkins provided by sponsor)
- One complimentary full conference registration for company employee (day package) or two complimentary registrations (exclusive package)

* subject to deadline dates
Conference WiFi—EUR 7,000
- A landing page will be provided on the log-in screen as attendees access the WiFi network
- One complimentary full conference registration for company employee

Delegate Bag—EUR 8,500
- Company logo and event branding to be printed on the conference bags which will be distributed at registration by SPE to all delegates
- Bags will be provided by the sponsor. The bag’s design and format to be approved by SPE
- Two complimentary full conference registrations for company employees

Print Advertising Opportunities

A variety of print advertising opportunities is available for the event including full and half pages, special positions (inside front cover; inside back cover; outside back cover) in the Conference Preview and Conference Programme & Exhibition Guide. Please contact SPE for further details.

“

We exhibited for the first time at the 2017 SPE/IADC Drilling Conference and it provided an outstanding opportunity to meet our market and to network with professionals from the top companies in the upstream industry. We look forward to our future participation.
